Hey.

Hm

You're here.

KNOCK.

KNOCK.

Come in.

What are you doing?

TMP

What about you?

I'm waiting for a call.

Could you wake me up in 2 hours?

I'm glad you're here.

I'm feeling sleepy.

Sure.

There is a bed in the next room.

Nuh-uh.

I won't be able to wake up.

A bed is no good.

I've been sitting here for 2 hours already.

It's better here where I can be woken up by the phone.

'Night.

You're working hard.

And I doubt it'd ring in the next 2.
